Dear Patients of Sandy Bay Clinic,

The Sandy Bay Clinic will be moving location from Friday 24th December. As you may know, we are excited to be merging with another Better Medical practice, Sandy Bay Doctors.

Many of our doctors already work across different clinics within the Doctors Tasmania group of Better Medical practices, meaning they will still be available to provide quality healthcare to our patients, and the community.

This also means that our patients will have greater access to the network of services provided at Doctors Tasmania clinics: Sandy Bay Doctors, City Doctors, Rosny Doctors, and the After-Hours Clinic.

We understand that our patients may have some questions about what this means, which is why we have created some FAQs to help put your mind at ease.

Where is Sandy Bay Clinic moving to?

You can find us at **Sandy Bay Doctors, Level 2, 57 King Street, Sandy Bay.**

Where can we park at the new clinic?

The best parking for accessibility to our entrance is up the ramp of the Woolworths carpark.

What number can I call to speak to reception?

You can contact us by calling **03 6210 0500.**

Can I still book an appointment online?

Yes! You can book an appointment online any time through HotDoc, the Better Medical app, or by visiting our website: <https://www.sandybaydoctors.com.au/>

If you have any questions or are unsure about anything you are welcome to contact our friendly reception team, or Practice Manager on 03 6210 0500.

Kind Regards,
The team at Sandy Bay Clinic.
